PRODUCT IDENTIFICATION:

Product Name: LITSEA CUBEBA ESSENTIAL OIL

Product Nature: 100% pure, natural, and complete essential oil

Botanical Name: Litsea cubeba

Batch Number: : /

Expiration Date: /

Organoleptic Characteristics:

- **Aspect:** Liquid
- **Color :** Clear to slightly yellow
- **Odor:** Fresh, slightly camphorated

COMPOSITION:

Compounds	Content %
Citral	
Limonene	

PROPERTIES:

- **Antiseptic:** Litsea cubeba essential oil possesses powerful antiseptic properties, making it effective for disinfecting air and surfaces.
- **Respiratory Decongestant:** Its expectorant and decongestant action makes it a valuable natural remedy for relieving symptoms of upper respiratory tract infections, such as colds and sinusitis.
- **Invigorating:** It's refreshing and invigorating scent makes it an excellent choice for stimulating the mind and reducing mental fatigue.
- **Anti-inflammatory:** It can also help relieve inflammation associated with skin conditions such as insect bites and minor skin irritations.

USES:

- **Inhalation:** Add a few drops of litsea cubeba essential oil to hot water and inhale the steam to clear the respiratory passages.
- **Massage:** Dilute the essential oil in a carrier oil and use it to massage the chest or back to relieve respiratory congestion.
- **Diffusion:** Use a diffuser to disperse the essential oil into the air to purify the atmosphere and refresh the mind.

PRECAUTIONS:

- Litsea cubeba essential oil is potent and should be used with caution.
- Avoid contact with eyes and mucous membranes.
- Do not ingest.
- Consult a healthcare professional before use in children, pregnant or nursing women, and individuals with underlying health issues or taking medication.
